RECYCLING PREPARATION GUIDELINES

- Recycling totes with *tan lids* may be set out every other week the night before your pick-up day or no later than 6:30 a.m. on your recycling pick up day and should contain recycled items ONLY.
- Recyclable items can be loose and co-mingled together in your recycling tote but residents are encouraged to place smaller recyclables (mail, shredded paper, etc.) in paper grocery bags inside your tote to minimize the risk of blowing.
- In the event that you have additional recyclable items, you may place items in a separate paper bag, cardboard box or container clearly marked for recycling beside the tote.
- Please do not dispose of plastic bags in your recycling tote or use them to contain excess recyclable items as these contaminate the recycled material. Styrofoam and blister packaging are also unacceptable.
